Friendship Circle—Sunday Circle Respite Program!

Friendship Circle families and volunteers gathered at Chabad of Parkland on Sun. Feb. 3 for an afternoon filled with excitement. Many special needs children and teenage volunteers came together for the popular Sunday Circle Program. The children enjoyed a 45 minute session of Yoga with Ally Ben Peer-Ezzer, a special needs instructor. There were also wonderful arts and crafts projects as well as delicious snacks. Sunday Circle is a monthly respite program on Sunday afternoons where children with special needs, qualified professionals, therapists and loving volunteers come together for a fun, educational and learning experience.
